Pakistan in talks with three LNG suppliers – reports

Pakistan is looking to sign additional long-term SPAs, with the country in talks with Eni, Emirates National Oil Company (ENOC) and Petronas, according to reports this week.

The nations' oil ministry is looking to secure a deal for 0.75 mtpa with Eni, and to purchase larger volumes from Petronas – up to 1.5 mtpa – according to reports. Potential volumes from ENOC were not specified.
